Subject: The stakeholder advisory group needs to remain in the MHSA Evaluation RFP
Date: Wednesday, July 14, 2010 4:56:01 PM

Hi Sandy:

I am writing to urge that consumers of community mental health services, particularly members of mistreated, and underserved populations, and family members of these populations have a voice in the evaluation process. Please commit to convening of the stakeholder group as a requirement in the RFP

Thank you

All life is interrelated. We are caught in an inescapable network of mutuality; tied in a single garment of destiny. Whatever affects one directly, affects all indirectly... If we are to realize the American dream we must cultivate this world perspective.
