Subject: Quality Improvement: Survey

The Mental Health Services Oversight and Accountability Commission (Commission) is eager to learn more from our stakeholders regarding our engagement practices and to obtain feedback on the Commission as an organization. The Commission crafted a survey in SurveyMonkey and will forward it to our mental health partners to glean more information on current programs and to foster recommendations on future improvements.

The survey contains 25 questions and will be conducted over a two week period starting on April 11, 2011 and concluding on April 22, 2011. The Commission will pay particular attention to the responses and the information will help shape the organization's process and service to stakeholders.

I urge you to assist us in this special endeavor by taking a few minutes of your busy schedule to take the MHSOAC Quality Improvement Survey by clicking at the following internet address:

In advance, I very much appreciate your help with this important survey. If you have any questions or concerns, please do not hesitate to call Jose Oseguera at 916.445.8722.

Best regards,

SHERRI GAUGER
