

MHSOAC Services Committee

2011 Charter

Purpose:

To ensure compliance with Welfare and Institutions Code (WIC) Sections 5846 and 5847 the MHSOAC Services Committee will work on behalf of the Commission in making recommendations regarding the implementation and sustainability of MHSA programs and services to the MHSOAC.

Objectives:

1. Oversee MHSA Services Components, Prevention and Early Intervention (PEI) and Innovation (INN) plan review process and Annual Reports review process. Purpose and intent follow:
 - To assure quality and fidelity of plan review process
 - To assure adherence of plans to regulatory guidelines
 - To identify relevant implementation issues that arise from plan reviews
 - To assure consistency of annual reporting review process
2. Review and comment on MHSA Regulations
3. Be responsible for identification of key questions/outcomes to be achieved, using information from evaluations for quality improvement and for recommending changes in service policies
4. Make recommendations for coordination of training and technical assistance necessary to implement and sustain MHSA Service Components
5. Identify and recommend appropriate policies to facilitate implementation and sustainability of MHSA Services

Guiding Principles

Committee policy and strategy recommendations to the MHSOAC should reflect and strive to address the following MHSA-identified priorities:

1. Culturally and Linguistically competent
2. Promotes a client/family/parent driven system
3. Reduces stigma and discrimination
4. Fully informed via a robust stakeholder process
5. Best Practices and continuous improvement
6. Emphasize the inclusion of all ages across the life-span
7. Aim to reduce mental health disparities.
