

This document shows the status of the data collection process for each MHSOAC-sponsored evaluation project and each county's participation in each project. All counties are required to participate in the projects listed below. This document will be updated on a periodic basis depending on the the data collection activities taking place at that time. If you have any questions about the contents of this document or would like further clarification regarding the projects and activities listed below, please contact Dr. Renay Bradley, Director of Research and Evaluation at the MHSOAC, at renay.bradley@mhsoc.ca.gov or 916-445-8726. Dates associated with the data collection processes are subject to change.
