**County: San Diego**

### **San Diego County Plan Summary**

This INN Plan consists of five projects:

- 1) *Wellness and Self-Regulation for Children and Youth*: a holistic approach to wellness for children and youth
- 2) *Peer and Family Engagement Project*: a system in which clients and families have first contact and ongoing support from peer and family engagement specialists at an emergency room or clinic site
- 3) *Physical Health Integration Project*: integration of physical and behavioral health to create a client-centered medical home for individuals with serious mental illness
- 4) *Mobility Management in North San Diego County*: innovative peer-based transportation services particularly for isolated and underserved adults and older adults
- 5) *Positive Parenting for Men in Recovery*: a positive parenting program for men in Mental Health recovery

The County is committed to assess the impact of its Innovation Plan Projects across age, ethnicity, culture, and gender of participants.
