

PEI PLAN APPROVAL SUMMARY

County: SUTTER-YUBA

Plan Projects:

This PEI Plan has 5 projects:

- 1) Community Prevention Team
- 2) Mentoring Program
- 3) Strengthening Families
- 4) Recreational Opportunities
- 5) First Onset Team

Plan Strengths:

- These two counties are uniquely recognized for their collaboration in the development of their PEI Plan. A cultural competency workgroup was formed to ensure participation from underserved groups. Sutter-Yuba County provided outreach through Spanish and Punjabi surveys; meetings at locations such as consumer groups and the Hmong Community Center; and distribution of surveys at Feather River Indian Health Center, Migrant Education Center, Sikh Temple, and the Mahal Plaza.
- Project 1 will consist of a multidisciplinary team to work with culturally diverse populations, schools, Family Resource Centers, and other community entities in each county to provide coordination of all Projects and tailor appropriate PEI services to each community entity.
- Project 2 is an expansion of mentoring programs such as Friday Night Live, Big Brothers/Big Sisters, and Lunch Buddies to promote positive growth in children and youth.
- Project 3 is an evidence-based practice to develop parenting, child life, and family life skills that will be implemented in the Hmong community.
- Project 4 will provide recreational scholarships to build self-esteem in youth.
- Project 5 will provide screenings to teens, mental health consultation in primary care settings, Aggressive Replacement Training program, and stigma education.
