

DRAFT
RECOMMENDATIONS FOR AVAILABILITY AND USABILITY OF
EVALUATION EFFORTS
February 17, 2012

At the Evaluation Committee meeting on 2/22/12, the Committee will discuss preliminary recommendations for the availability and usability of evaluation efforts. Committee members are encouraged to bring any recommendations that they have. Following is a list of ideas for the Committee's consideration. It is intended as a resource to assist the MHSOAC Evaluation Committee in developing recommendations regarding the availability and usability of evaluation efforts.

Purpose:

- Quality improvement
- Refer to a MHSOAC Committee for next step recommendations based on the committee's expertise
- Summarize primary information that is known

What should be done with the Evaluation Effort?

- Should it go out to the MHSOAC List serve members
- What are the recommendations for next steps

How to Use the Evaluation:

- Set up a structure so the public can be advised of it, such as a press release
- Post the report on the MHSOAC website
