OTHER MATERIAL RELATED TO ITEM:

Issue:

The Cultural and Linguistic Competence Committee (CLCC) members and staff who participate on the Community Forum Workgroup will provide an update of the planning efforts to date for the April 4, 2012 Community Forum, which will be held in Chico California.

Background:

The Community Forum Workgroup (CFW) was established in 2011 to plan and conduct MHSA Community Forums sponsored by the MHSOAC. The Workgroup provided direction for the three Community Forums held in Roseville, San Francisco, and Modesto in 2011. Input from the Workgroup about ways to improve future Forums is provided following each Community Forum. Four members from the CLCC and CFLC and one alternate were selected to participate on the CFW. The CLCC has a standing agenda item in which the CLCC members of the CFW provide an update to the CLCC on the CFW activities and forum planning efforts.

Proposed Motion:

The CLCC members may provide suggestions regarding forum planning efforts to the CLCC Community Forum Workgroup Members, which they will bring forward to the Community Forum Workgroup at their next meeting.
