Workshop Agenda

Purpose:

The Mental Health Services Oversight and Accountability Commission (MHSOAC) has identified evaluation as a primary strategy for overseeing the effects of Mental Health Service Act investments into the public mental health system. Multiple efforts are underway to evaluate the impact of these investments and improve the quality of data used for evaluation.

This workshop is designed to provide the Commissioners a focused look at the multiple efforts and current findings.

Goal:

Focused review of evaluation projects, the components of those projects, and results of past projects.

Desired Outcomes:

- 1) Create a common baseline of understanding among Commissioners of the results of oversight through evaluations.
- 2) Discuss the application of the findings.
- 3) Next steps.
