AGENDA ITEM: Participatory Research Report Workgroup Report Out to Committee

ENCLOSURES: None

OTHER MATERIAL RELATED TO ITEM: None

ISSUE:

The Evaluation Committee members have formed small workgroups to review and discuss current, completed and forthcoming evaluation reports. For reports that have been completed, such as the Participatory Research Report, workgroup members meet to discuss report highlights, dissemination, and ideas for future research that may stem from the report.

The Participatory Research Workgroup met to discuss the *MHSA Statewide Participatory Evaluation Final Report*. Workgroup facilitator, Ashley Mills, will report on the workgroup's discussion, highlighting important report findings and implications, and ideas for future research projects.
