ISSUE:

The Evaluation Committee has formed a workgroup to review Evaluation Master Plan objectives that pertain to strengthening statewide data collection and reporting systems and consider steps needed to achieve those objectives and develop a new statewide data collection and reporting system. This workgroup will meet on a continual basis. Workgroup facilitator, Renay Bradley, will report on relevant activities occurring both within and outside of the Mental Health Services Oversight and Accountability Commission regarding statewide data collection and reporting systems since the last Data Strengthening Workgroup Meeting and discuss the timing of the next workgroup meeting.

¹ The version of the policy paper included in these meeting materials is the one presented to the Commission for the July 25, 2013 meeting and does not include the amendment recommended by the Commission prior to adoption.
