Agenda Item 1

The Community Forum Workgroup will be presented with an update on the planning for the Superior California Community Forum to be held in the community of Redding on May 29, 2014. The update will include information and a discussion on the forum location, staffing, pre-meeting, and travel arrangements.

The purpose of the community forums is to foster discussion and input regarding the progress and impact of the Mental Health Services Act (MHSA) in local communities. The MHSOAC Community Forums are held in various locations throughout California.

To facilitate the community forums, a workgroup consisting of eight members, plus four alternates, selected from the CLCC and CFLC, has been established to plan and conduct the MHSOAC Community Forums each year.
