Full Service Partnership Classification Study

Summary: Renay Bradley, will present an overview of a proposed contract with the Mental Health Data Alliance (MHDATA) for an assessment of Full Service Partnerships (FSPs) that will enable classification of FSPs in a meaningful and useful fashion. The classification system will ultimately enable clients, family members, providers, counties, other stakeholders, and the State to understand the diversity and comparability of FSPs throughout the State. Understanding the comparability of various programs is intended to facilitate quality improvement efforts. This study is described as Work Effort 3 in the adopted Evaluation Master Plan.

Enclosures: None

Handout: A PowerPoint will be provided at the Commission meeting.

Recommended Action: Approve the Executive Director to execute a contract for no more than \$327,313 with Mental Health Data Alliance to complete the scope of work and deliverables for the assessment and classification of Full Service Partnerships on a statewide level.

Presenter: Renay P. Cleary Bradley, Ph.D.
