OTHER MATERIAL RELATED TO ITEM: 2014 Evaluation Committee Charter (Adopted January 23, 2014)

BACKGROUND:

At the November 21, 2013 Commission meeting, the Mental Health Services Oversight and Accountability Commission (MHSOAC or Commission) adopted the 2014 Work Plan. Priority 7.b. of the Work Plan calls for an increased oversight role of statewide PEI projects (Suicide Prevention, Stigma Reduction, Student Mental Health Initiative) and evaluation results that are currently being carried out by CalMHSA. This item is also reiterated in Activity 11 of the 2014 Evaluation Committee Charter, which was adopted by the Commission on January 23, 2014. As such, the Evaluation Committee will be given the opportunity to consider the status of the PEI project evaluations and provide recommendations for the Commission. Stephanie Welch, M.S.W., Committee Member and CalMHSA Senior Program Manager, will present a status update of the CalMHSA Statewide PEI Projects at today's meeting (See Tab Section 4). This presentation will be the basis of this discussion.

ISSUE:

Dr. Renay Bradley will lead a discussion of the CalMHSA presentation on Statewide PEI Projects Status with a goal of creating a list of recommendations from the Evaluation Committee to the Commission regarding the status of statewide PEI Project Evaluations.
