Kevin Hoffman, Deputy Director, Mental Health Services Oversight and Accountability Commission (MHSOAC or Commission) will present the MHSOAC January 2014 Financial Report updated with information made available through the release of the Governor's Proposed fiscal year 2014/15 Budget. This report will provide information on the following topics:

- Mental Health Services Act (MHSA) Revenues Received
- Community Mental Health Funding Amounts: Role of Major Funding Sources
- MHSA Funding Distributed
- MHSA State Administration

**Background:**

Financial Framework Overview

In January 2009, the Commission directed the MHSOAC Financial Oversight Committee, formerly the Mental Health Funding and Policy Committee to develop a financial framework to guide the development of regular financial reports and identify key financial information relating to both the MHSA and public community mental health funding. The Financial Framework Overview was adopted by the Commission in April 2009 and revised in November 2012, addressing the full cycle of public community mental health funding, which is comprised of revenue sources (money going in), the distribution of funding to counties (money going out) and MHSA expenditures (money utilized). The framework also identified the timeframes in which information will be reported based on availability of financial updates throughout the year.

Ongoing Financial Reports

The Mental Health Financial Oversight Committee presented the first MHSOAC Financial Report in January 2010 and an updated Financial Report in May 2010. These reports were presented every year since then and will continue to be presented in January and May of every year.

The Financial Oversight Committee met on January 16, 2014 and approved the 2014 Financial Report which will be presented to the Commission.

**Action:**

Proposed Motion: Commission accepts the January 2014 Financial Report as presented by the MHSOAC Financial Oversight Committee.
