
AGENDA ITEM 6A

Information

July 24, 2014 Commission Meeting

Data Collection and Reporting (DCR) and Client and Service Information (CSI) Data Quality Improvement Efforts

Summary: Kate Cordell will present an overview of the Commission's contracts with California State University, Sacramento and the Mental Health Data Alliance, LLC (MHDATA) contracts that have addressed data improvement efforts in State data systems such as the Data Collection and Reporting (DCR) and the Client and Service Information (CSI) systems. This presentation will also cover MHDATA's current contract to strengthen statewide data collected on consumers who are served via the Full Service Partnership (FSP) programs, (i.e., data reported via the DCR). Detail will be given on the most recent report which evaluated statewide FSP program outcomes.

Enclosures: California State University, Sacramento, University Enterprises, Inc. (UEI) and MHDATA Report - *Statewide Full Service Partnership (FSP) Outcomes Report*

Handouts: Client and Service Information (CSI) PowerPoint Presentation will be distributed on the day of the meeting.
