**BACKGROUND:**

In March 2013, the Mental Health Services Oversight and Accountability Commission (MHSOAC) adopted the MHSOAC Evaluation Master Plan (Master Plan). The Master Plan was developed for the MHSOAC to chart its course on evaluation activity by outlining a series of priority evaluation activities to complete over the next five years, as well as a prioritization process to consider additional evaluation activities to complete. The MHSOAC also approved the MHSOAC Evaluation Implementation Plan (Implementation Plan) for Fiscal Years 2013/14-2017/18. This plan maps out which specific evaluation activities that will be performed each year. The full text of the Master Plan can be found at [http://www.mhsoac.ca.gov/Evaluations/Master\\_Plan.aspx](http://www.mhsoac.ca.gov/Evaluations/Master_Plan.aspx).

**ISSUE:**

Nine external evaluation related projects are currently in process along with five internal efforts. Renay Bradley will update the Committee as to the status of each project, respective project deliverables and their due dates. The status of each project will be presented with regard to forthcoming Evaluation Committee activities (e.g., when associated workgroups will be convened and full Committee report-outs will take place).
