

MHSOAC PUBLIC COMMENT PARTICIPANT SURVEY

The Mental Health Services Oversight & Accountability Commission (MHSOAC) wants to hear from you about your experience participating in our public comment process.

Please take a minute to complete this survey, which is both anonymous and voluntary.

- 1) Was the public comment process easy for you to understand? Yes No
2) Was the process comfortable for you to participate in? Yes No

Why or why not?

What would have helped you or would improve the process?

- 3) Could you have used assistance with the public comment process? Yes No

If **“Yes,”** what sort of assistance would be helpful?

- Help filling out the public comment card
 Someone to explain the process or answer my questions before the meeting or during breaks
 Someone to go with me when I make my comments
 Other (please explain):

- 4) Was the 2-minute public comment time sufficient? Yes No
5) Do you feel that the Commissioners understood your comments? Yes No
6) Do you feel that the Commissioners gave you their full attention? Yes No
7) In what other ways can we improve the public comment process, make it more accessible or make it easier to use?

(Please explain):

REVISED

Thank you for your ideas and your participation!
