**Issue:**

The CFLC will review and discuss the CFLC Community Forum Report Outline.

**Background:**

Early next calendar year, the CFLC plans on producing a report to the MHSOAC on the CFLC's Community Forums, which have been held around the state during the past year. Commissioner Vega has asked staff to prepare an outline for this Community Forum Report for discussion at the August 26<sup>th</sup> CFLC meeting. The outline format was derived from the CFLC Issue Resolution Report from earlier in the year. Attention has been given to all perspectives in the Community Forum process.
