ENCLOSURES:

- Draft, Policy Paper: Accountability Focusing on Oversight, Accountability and Evaluation, July 29, 2010

OTHER MATERIAL RELATED TO ITEM: None

Issue:

The Commission requested the Evaluation Committee to provide input into the policy recommendation of the Commission's focus on oversight and accountability.

Background:

One of priorities of the Commission identified in the 2010 MHSOAC Work Plan is to implement an accountability framework. As a result, the Commission asked Staff to prepare a policy paper for the MHSOAC to announce that it is broadening its focus from implementation and county plan review and approval to full scale program evaluation. The draft document was discussed at the July 29th Commission meeting and consensus was to move it forward to the Evaluation Committee to finalize for the Commission to adopt.
