**ISSUE:**

Enclosed for adoption is the draft "First Report to the Governor and Legislature, January 2011". Also enclosed are Appendices A through D, which are referenced in the report. Executive Director Gauger sent this report to the commissioners on December 3, 2010, to allow more time for review.

The report includes sections on MHSOAC accomplishments and next steps that were developed from the MHSOAC 2010 Work Plan. After reviewing the report, commissioners should consider if any key Commission accomplishments have been overlooked.
