Issue:

The MHSA Five-Year Anniversary Planning Workgroup is developing a series of events and activities for 2010. In December of 2009, the MHSOAC sponsored a successful client art show for the Sacramento Second Saturday Artwalk at the Barton Gallery. In early 2010, the MHSOAC expects to participate in a legislative briefing on the progress of the MHSA. Later in the year, the Commission staff will support Commissioners' speeches to their constituency groups. The Commission will also participate in the Sacramento Capitol Disability Action Day and CMHDA's Policy Forum in May.

The MHSOAC is presenting a Five-Year Anniversary video at the January Commission meeting to commemorate the progress of the MHSA. This video was produced by MHSOAC staff and consultants during the past year. The January edition of the MHSOAC newsletter, *The Update*, is also a Five-Year Anniversary project.
