**Issue:**

MHSOAC Staff member Ann Collentine will provide an update of activities associated with the MHSOAC Services Committee and the related charter.

**Background:**

At the May 26, 2010 CLCC meeting, member Stacie Hiramoto asked that the Committee be informed of activities happening with the Services Committee and the purpose of their charter. Ms. Hiramoto requested this as a result of the discussion about the Technical Assistance Policy Paper and the charge of the MHSOAC Services Committee regarding it.

All MHSOAC Committee charters were adopted at the February 2010 MHSOAC meeting. These charters are posted on the MHSOAC website.
