 - Office of Multicultural Services
 - CA MHSOAC Multicultural-Coalition-pending
 - State Interagency Team

OTHER MATERIAL RELATED TO ITEM: None

Issue:

Enclosed for review and comment is the updated Public Mental Health Cultural Competence Committee's Matrix. This document includes updates of multiple work plans from various organizations. The CLCC is charged with providing the Commission with an update of collaborative efforts between the organizations to reduce mental health disparities. These efforts will be discussed and findings will be presented to the MHSOAC in September.

Background:

At the May 26, 2010 CLCC meeting, the Committee discussed comparisons associated with multiple work plans of the following organizations:

1. CMHPC – Cultural Competence Committee
2. MHSOAC – CLCC
3. CMHDA – Social Justice Advisory Committee
CMHDA – Ethnic Services Committee
4. CIMH – Center for Multicultural Development
5. DMH – Cultural Competence Advisory Committee
DMH – Office of Multicultural Services
State Interagency Team – Workgroup to Eliminate Disparities

The Committee agreed the Matrix needed to include complete work plans from all organizations before the comparison analysis could be finalized and that updates as they occur would be provided to the Committee.
