AGENDA ITEM: Adopt PEI Statewide Guidelines Review Tool

ENCLOSURES:

- MHSOAC Guidelines for PEI Statewide Programs
- Draft MHSOAC Review Tool for PEI Statewide Programs

ISSUE:

The MHSOAC is charged by the MHSA to review and approve plans and funding for the PEI Plan Component including PEI Statewide Programs. To accomplish that task the MHSOAC must adopt a review tool for Plans submitted for PEI Statewide Program Funds. Enclosed is a draft review tool for PEI Statewide Program Plans submitted for review and possible adoption.

BACKGROUND:

- MHSOAC Guidelines for PEI Statewide Programs were issued in March 2010. (See DMH Information Notice: 10-06.)
- Also in March 2010 DMH issued revised direction for counties choosing to assign their PEI statewide program dollars to DMH. (See DMH Information Notice: 10-05.)
- In April 2010 a contract was executed between DMH and the California Mental Health Services Authority (Cal-MHSA), a joint powers authority, enabling the transfer of local PEI statewide program funds from DMH to the JPA for implementation of PEI statewide programs.
- In May 2010 the MHSOAC adopted an updated Student Mental Health Initiative paper that was revised to be consistent with the approved Guidelines for PEI Statewide Programs.

With the Guidelines and other administrative policies and procedures in place, the MHSOAC is able to accept for review, County and JPA Plans for the expenditure of PEI Statewide Funds. To operationalize the Plan reviews, a review tool for PEI Statewide Program Plans must be adopted before the MHSOAC begins reviewing Plans.

The Draft PEI Statewide Programs Review Tool, enclosed, was prepared by the MHSOAC staff and is consistent with the Guidelines for PEI Statewide Programs.

Proposed Motion:

The Commission adopts the Draft PEI Statewide Programs Review Tool.
