**AGENDA ITEM:** External Quality Review Organization (EQRO) Presentation

**ENCLOSURES:** • Overview of California EQRO Disparities Data

**OTHER MATERIAL RELATED TO ITEM:**

---

**Issue:**

Enclosed for your information is the overview agenda of the presentation that will be provided by APS Healthcare regarding the EQRO.

**Background:**

The CLCC is interested in reviewing data sources that identify methods to measure disparities in unserved, underserved and inappropriately served populations for the delivery of mental health services.

An overview of the EQRO will provide the CLCC with updated information related to the availability of specific data.
