OTHER MATERIAL RELATED TO ITEM:

Issue:

Enclosed for review and discussion is a preliminary recommendation of an assessment tool for the proposed CLCC training plan.

Background:

The CLCC appointed a training subgroup that convened on June 10th to develop recommendations for the CLCC that will lead to a presentation to the Commission in August. The training subgroup selected the following two tools to develop the future training plan: 1) Courageous Conversation and 2) Cultural Competence Continuum. The subgroup will present the tools to the committee.
