**Issue:**

Finalize the CFLC Committee Community Questions.

**Background:**

The CFLC membership has been working diligently to finalize the CFLC Committee Community Questions in preparation for the next community forum that is scheduled to take place in Eureka in the month of June. The Chair of the CFLC will use these questions to solicit input on the implementation of the Mental Health Services Act (MHSA) and what communities are encountering in terms of challenges and successes. There are currently a total of 9 draft questions that community stakeholders can use to help frame their thoughts and inquiries when participating in forum discussions.

**Proposed Motion:**

***Adopt the CFLC Committee Community Questions.***
