PREPARED BY: Oseguera

DATE MATERIAL PREPARED: 5/17/10

AGENDA ITEM: **CFLC/MHSOAC Stakeholder Training and Support Review**

ENCLOSURES: • Stakeholder Training Document

OTHER MATERIAL RELATED TO ITEM:

Issue:

Discuss the CFLC/MHSOAC Stakeholder Training and Support.

Background:

CFLC members Richard Krzyzanowski and Khatera Aslami have been crafting a stakeholder training process, including a stakeholder training document, to help anyone who feels they need some additional support in giving public comment at the MHSOAC meetings. Instead of the typical Stakeholder Orientation that occurs before each Commission meeting, CFLC members hope to in the future help orient the public on how the Commission agenda is structured and how to complete and submit public comment cards. Both the training curriculum and stakeholder training document have undergone changes to better address the support and training needs of new public members attending MHSOAC meetings.

Proposed Motion:

Adopt the CFLC Stakeholder Training and Support.
