AGENDA ITEM: Discuss MHSA Technical Assistance and Training Policy

ENCLOSURES:

- Mental Health Services Act Technical Assistance and Training Policy

OTHER MATERIAL RELATED TO ITEM:

Issue:

Enclosed for review and discussion is the Mental Health Services Act Technical Assistance and Training Policy. Ann Collentine, MHSOAC will provide a briefing to the CLCC of the PEI component.

Background:

The enclosure was released and discussed at the MHSOAC Services Committee meeting on May 10th as a draft policy paper on the PEI Statewide Training and Technical Assistance.

Committee member, Stacie Hiramoto, attended and recommended that the CLCC review this policy paper and become familiar with this component of PEI as this issue is large and complex enough that it should be reviewed by our committee.
