Background:

On July 29, 2010, CFLC Committee Member Richard Krzyzanowski, in collaboration with CFLC member Khatera Aslami, presented a PowerPoint on public participation in MHSOAC meetings. The PowerPoint is titled, "Making Your Point: How to Give Effective Public Comment at MHSOAC Meetings". Since July, MHSOAC Executive Director Sherri Whitt has asked Mr. Krzyzanowski to make some refinements to his PowerPoint. Today, for the benefit of the new members of the CFLC and as a refresher for the continuing members, Mr. Krzyzanowski will present "Making Your Point" to the entire CFLC.
