Issue:

The CLCC members who participate on the Community Forum Workgroup will provide an update regarding February 16, 2011 Community Forum meeting and the upcoming MHSOAC Community Forum session in April.

Background:

The CFLC and CLCC are planning to hold four MHSOAC Community Forums in 2011. The purpose of the Community Forums is to have a community discussion and input regarding the progress and implementation of the Mental Health Services Act (MHSA). The four MHSOAC Community Forums will be held in various locations throughout California and most of them will take place during the evening to allow stakeholders an opportunity to attend and participate.

To accomplish this goal, a workgroup consisting of four members from each Committee has been assembled to visit Communities and glean information on the efficacy of the MHSA.

The four CLCC representatives on this workgroup will provide an update at the next meeting.
