AGENDA ITEM: Preliminary Discussion on Future Evaluation Priorities

ENCLOSURES:

- Draft Brainstorming current and Future MHSOAC Evaluation Efforts, April 12, 2011

OTHER MATERIAL RELATED TO ITEM:

Issue:

The Chair is interested in discussing ideas and strategies for future evaluation efforts to use an additional \$1M funding for FY 2011-12 that will be continuously available to the MHSOAC for evaluation functions. Committee members are encouraged to provide any ideas that they have. The attached draft document reflects a summary of evaluation priorities that were previously identified that are current and future efforts resulting from prior Evaluation Committee discussions, RDA recommendations and other sources.

Background:

The Legislature recently approved an additional \$1M continuous funding for FY 2011-12 to be available for evaluation efforts for the MHSOAC to continue its oversight and accountability responsibility. The committee will determine evaluation priorities to be conducted which could be used for the additional on-going \$1M funding.
