DATE OF MEETING: 4/8/11

PREPARED BY: Collentine/Marshall

DATE MATERIAL PREPARED: 4/4/11

AGENDA ITEM: Training and Technical Assistance (T/TA) Framework

OTHER MATERIAL RELATED TO ITEM: None

Issue:

The T/TA Framework discussion started last fall. At that time, Services Committee members articulated the desire that the Commission maintain a high-level perspective towards Training and TA. Members also articulated that the T/TA Framework needs to be consistent with the intent of MHSA and the Commission's focus on outcomes.

With the passage of AB 100, the potential impacts on the Act are still being analyzed and MHSOAC staff continues to research the integration of AB 100 into the T/TA Framework.

Materials needed for this discussion item are currently being developed and will be distributed at the meeting.
