**Issue:**

Enclosed for your review is a chart highlighting the learning objectives of the Innovation programs that have been developed by counties.

**Background:**

In 2009, MHSOAC staff was given the task to draft a summary of Prevention and Early Intervention activities from the approved county plans. Staff reviewed and analyzed 32 approved PEI plans which included over 223 programs and produced the 2009 PEI Trends Report. MHSOAC staff is currently reviewing and analyzing the remaining county plans and programs to update the 2009 Trends Report to include all counties approved PEI plan. An updated PEI Trends Report to be available at the May, 2011 Commission meeting.

The Services Committee Charter, workplan activity number 2, gives MHSOAC staff the task to develop an Innovation (INN) Trends Report. Enclosed for your review is a Innovation Learning Chart. The enclosed chart outlines the county name, the Innovation program and the learning objective. The INN Trends Report will be completed for the September 2011 Commission meeting.
