**Issue:**

The Community Forum Workgroup will be presented with the final Community Forum documents and will discuss the next steps and planning for the September 27, 2011 San Francisco Community Forum.

**Background:**

The CFLC and CLCC are planning on holding three MHSOAC Community Forums in 2011. The purpose of these forums is to foster discussion and input regarding the progress and implementation of the Mental Health Services Act (MHSA). The three MHSOAC Community Forums will be held in various locations throughout California and most of them will take place during the evening, allowing stakeholders an opportunity to attend and participate.

To accomplish this goal, a workgroup consisting of four members from the CLCC/CFLC Committees have been assembled to visit communities and glean information on the efficacy of the MHSA.
