Issue:

The CLCC members who participate on the Community Forum Workgroup will provide an update on the upcoming MHSOAC San Francisco County Community Forum.

Background:

The CFLC and CLCC are planning on holding three MHSOAC Community Forums in 2011. The purpose of these forums is to foster discussion and input regarding the progress and implementation of the Mental Health Services Act (MHSA). The three MHSOAC Community Forums will be held in various locations throughout California and most of them will take place during the evening, allowing stakeholders an opportunity to attend and participate.

To accomplish this goal, a workgroup consisting of four members from the CLCC/CFLC Committees have been assembled to visit communities and glean information on the efficacy of the MHSA.

The four CLCC representatives on this workgroup will provide an update at the next meeting on August 17, 2011.
