Review MHSOAC Approved Cultural and Linguistic Competence Committee (CLCC) Charter.

**Background:**

The CLCC's purpose is to ensure that the perspective and participation of individuals and families who are members of racial, ethnic, and cultural communities are systematically included in all of the Commission's deliberations, decisions and recommendations.

Each year the CLCC is required to develop a charter to present to the Commission for approval which identifies specific objectives and activities. The CLCC 2011 Charter consists of eight activities to be completed in 2011.

Initially, the CLCC will address two activities: identifying essential MHSOAC documents for translation and posting on MHSOAC website. (Spring 2011) and with the CFLC as lead, develop, organize and conduct quarterly community outreach forums. Also, develop a methodology for collecting information from forums for report to the Commission. (February/Ongoing).
