Cultural and Linguistic Competence Committee's (CLCC) Participation in Client and Family Leadership Committee (CFLC) Community Forums - Announce CLCC/CFLC Workgroup Members

Background:

The MHSOAC's CFLC and CLCC are planning to hold four MHS Community Forums in 2011. The purpose of this Community Forum is to have a community discussion on the progress of the MHS. The four MHS Community Forums will be held in various locations throughout California and most of them will take place in the evening to allow stakeholder who work during the day an opportunity to attend the forum and have their voices heard.

To accomplish this goal, a workgroup consisting of four members from each Committee will be formed to collaborate and develop a structure to ensure that the MHSOAC Community Forums provide and equitable way for stakeholders and the public to have their voices heard.

Please review the enclosed community forum workgroup roster and meeting schedule.
