

MHSOAC

Mental Health Services
Oversight and Accountability Commission

Briefing on MHSOAC Evaluation Efforts

March 24, 2011

Summary

Summary of Today's Presentation

- Brief background regarding MHSOAC current evaluation efforts
- UCLA Center for Healthier Children, Families and Communities with Evaluation, Management and Training Associates, Inc (EMT) presentation on their approach to evaluation—Phase 2, Phase 3 and PEI Evaluation Summary
- UCD—Center for Reducing Health Disparities preview of their geomapping of access and use of mental health services.

Initial MHSOAC Statewide Evaluation (Phase 2)

Background

- \$500K/year of funding from FY 10/11 and FY 11/12
- RFP issued October 1, 2010
- Contract fully executed with UCLA on 2/7/11
- First deliverable due 5/1/11

Initial MHSOAC Statewide Evaluation (Phase 2)

Deliverables

1. Report of Activities and Costs of Local MHSA Funds
2. Reports on Prioritized Indicators
3. Summary and Synthesis of Existing Evaluations
 - a. Consumer Outcomes
 - b. MHSA Values
4. Final Report

Expanded MHSOAC Statewide Evaluation (Phase 3)

Background

- \$1M of funding from FY 10/11
- RFP issued December 1, 2010
- Intent to Award to UCLA approved by MHSOAC February 24, 2011
- Anticipated start date April 15, 2011.

First deliverables are due 9/30/11.

Expanded MHSOAC Statewide Evaluation (Phase 3)

Deliverables

1. Full Service Partnership Analysis—Costs and Cost Benefit
2. Impact of MHSA on Client Outcomes Using Participatory Research.
 - a. General System Development
 - b. Involvement of clients/families/caregivers in the public mental health system
3. Final Report
 - a. Data elements needed for comprehensive evaluation
 - b. Process for integrating service process variable with client outcomes.

Summary and Synthesis of PEI Evaluations

Background

- Approximately \$35K from existing FY 10/11 MHSOAC unexpended funds
- Interagency Agreement under development with UCLA
- Anticipated start date April 15, 2011

Deliverable

- Summary and Synthesis of Existing Evaluations of MHSA Prevention and Early Intervention Efforts.

Deliverable due date 8/31/11.

Disparities Analysis

Background

- Contract with University of California, Davis to provide following
- Deliverables
 1. Statewide analysis of disparities in service access.
 2. Reports and maps for 3 counties showing local services use indicating local underserved areas.
 - Work with those counties with recommendations for ongoing management use of information.
 3. Detailed analysis of the California Health Information Survey (CHIS).
 4. Final report with recommendations

Introductions

1. Todd Franke, Ph.D., MSW, from UCLA
2. Elizabeth Harris, PhD from EMT
3. Estella Geraghty, MD, MS, MPH/CPH, FACP from UC Davis
