Issue:

The CLCC members who participate on the Community Forum Workgroup will provide an update on the MHSOAC San Francisco County Community Forum that occurred on September 27, 2011, and the planning efforts for the next Community Forum in Modesto on December 8, 2011

Background:

In 2011 to date, the CFLC and CLCC have convened two MHSOAC Community Forums. The final forum in 2011 will be held in Modesto on December 8, 2011. The purpose of these forums is to foster discussion and input regarding the progress and implementation of the Mental Health Services Act (MHSA). The MHSOAC Community Forums are held in various locations throughout California, allowing local stakeholders an opportunity to attend and participate.

To accomplish this goal, a workgroup consisting of four members from the CLCC/CFLC Committees have been assembled to visit communities and glean information on the efficacy of the MHSA.

The four CLCC representatives on this workgroup will provide an update at the next meeting on October 20, 2011.
