The Community Forum Workgroup will be presented with the final Modesto Community Forum documents and discuss the next steps and planning for the December 8, 2011 Modesto Community Forum.

Background:

The CFLC and CLCC are planning on holding three MHSOAC Community Forums in 2011. Two forums have already been held in Roseville and San Francisco. The last 2011 forum will be held in Modesto. The purpose of these forums is to foster discussion and input regarding the progress and impact of the Mental Health Services Act (MHSA). The three MHSOAC Community Forums are being held in various locations throughout California and most of them will take place during the evening, allowing stakeholders an opportunity to attend and participate.

To accomplish this goal, a workgroup consisting of four members each from the CLCC and CFLC Committees has been established to plan and conduct MHSOAC Community Forums each year.
