OTHER MATERIAL RELATED TO ITEM: MHSOAC Fact Sheet: Evaluation of Local Mental Health Service Act (MHSA) CPP Processes

BACKGROUND:

The Evaluation Committee (Committee) will discuss the findings and recommendations set forth in Deliverable 5, *Summary Report of Results from Data Analysis/ Evaluation* and Deliverable 6, *Final Report of Promising CPP Process Practices*, from the MHSOAC’s “Community Program Planning Process Evaluation” contract with RDA. RDA used a participatory research approach to evaluate the impact of CPP processes used by counties and identified promising principles that may be useful to employ. The Committee will provide recommendations on dissemination of the findings and potential policy implications. The Committee will have the opportunity to consider next steps toward further evaluating local CPP processes that are used throughout the State at a later date.
