Stanislaus County Innovation Programs

(Continued)

Quiet Time

This Innovation Program is an adaptation of an existing mental health practice or approach. The project will adapt for Severe Emotional Disturbance (SED) children a school-based, stress reduction and wellness model that has demonstrated success with students who do not have an SED.

Stanislaus County Innovation Programs

(Continued)

Father Involvement Project

This Innovation Program promotes interagency collaboration by making a change to an existing practice or approach. This project intends to improve mental health and related outcomes, reduce risk factors, and build protective factors for fathers at high risk of mental illness by promoting collaboration among community service organizations.

Stanislaus County Innovation Programs

(Continued)

Youth Peer Navigators

This Innovation Program will increase the quality of services, including better outcomes, by making a change to an existing mental health practice or approach. This integrated youth-centered project intends to mobilize peers to engage young people with mental illness or SED and their families and to help them navigate the mental health services system.

Stanislaus County Innovation Programs
