
AGENDA ITEM 2A

Action

June 25, 2015 Commission Meeting

Contract with Informatix

Summary: The Mental Health Services Oversight and Accountability Commission (MHSOAC or Commission) will consider whether to approve entering into a contract with Informatix, Inc. for Information Technology Consultation Services. The Commission must comply with federal and state security and privacy laws. Informatix will provide the Commission the needed support with security, infrastructure, website hosting, mobile technology, and risk management tasks. The Contractor will provide trained IT staff to support the IT functions for the MHSOAC.

Informatix is an IT solutions provider that has worked with local and state governments across the United States. Informatix is recognized as a leader of fully integrated IT and business solutions for Public Agencies and Private Organizations, Informatix continues to build upon an excellent reputation for delivering end-to-end technology and project management solutions.

Enclosure: None

Handout: None
