**Agenda Item 3:**

Background: The CLCC has been having discussions about making two Cultural Competence presentations a year at the Commission meetings. On the April 29, 2015, CLCC meeting Transition Age Youth (TAY) was chosen as the first Cultural Competence presentation topic for the MHSOAC. At today's meeting, the CLCC will further refine the details for the TAY presentation that is scheduled to be offered in 2016. The 2016 Commission meeting schedule has not yet been confirmed but the hope is to have the presentation scheduled for the January commission meeting.
