WELLNESS • RECOVERY • RESILIENCE

October 9, 2015

Dear Mental Health Community in Fresno County and neighboring counties:

A Community Forum will be held on **November 5, 2015**, to discuss the impact of Proposition 63, the Mental Health Services Act (MHSA), in Fresno County. The Community Forum is sponsored by the California Mental Health Services Oversight and Accountability Commission (MHSOAC), and facilitated by two MHSOAC committees: the Client and Family Leadership Committee and the Cultural and Linguistic Competence Committee.

**The Community Forum will be held from 3:00 PM to 6:30 PM.
Community Mental Health Information Tables will be available from
1:30 PM to 3:00 PM**

**Location:
The Falls Event Center
4105 W Figarden Drive
Fresno, CA 93722**

Phone (for Directions): 1-559-365-7433

Specifically, the MHSOAC is interested in hearing from stakeholders about how MHSA services and supports that were funded as a result of Proposition 63 have made a difference for them, their families and/or their community. MHSOAC Committee members and staff will facilitate a semi-structured discussion with attending stakeholders designed to elicit feedback and diverse views. Information and stories gleaned through this discussion will be summarized annually and used to provide feedback to the MHSOAC about how persons have experienced the MHSA in local communities throughout California. This information will be considered by the MHSOAC in shaping future policy direction.

The overarching goal of the forums is to advance MHSOAC communication with the California public and provide opportunities to hear firsthand from stakeholders. Specific goals for the Community Forums include:

1. Provide opportunities for representatives of the MHSOAC to hear firsthand from clients, family members and other stakeholders about their experience with the MHSA in local communities throughout California, including what is working and what are the challenges.
2. Expand public awareness and education about Proposition 63, the MHSA and the MHSOAC.
3. Gather and collect information and stories, positive or negative, about the local experience and impact of the MHSA and inform the MHSOAC.
4. Expand the visibility of the MHSOAC by holding community forums throughout California, including areas of the state where the Commission does not usually meet.
5. The information gathered at Community Forums will be analyzed, summarized and reported annually to the Commission to shape the development of future policy direction.

We look forward to hosting this Community Forum in Fresno County and hope to see many stakeholders from Fresno and neighboring counties there to participate. Everyone is invited and we especially want to encourage clients, transitional age youth, older adults, parents and families from diverse backgrounds, LGBTQ individuals, veterans, and other stakeholders, to attend the forum.

Interpreters will be made available upon request. Please contact the MHSOAC at mhsoac@mhsoac.ca.gov or (916) 445-8696 for these requests and provide at least 7 days advance notice to help ensure availability.

Because space is limited, we would appreciate an RSVP if you are planning on attending or attending with a group of participants. Please RSVP to mhsoac@mhsoac.ca.gov or (916) 445-8696 as soon as possible. Also, please make your **Discussion Group** selection (see attachment) and advise the MHSOAC when making your reservation. If you have questions about the Community Forum, please contact MHSOAC staff members Kim Johnson at Kim.Johnson@mhsoac.ca.gov 1-916-445-8723 or Sandy Lyon at Sandy.Lyon@mhsoac.ca.gov 1-916-445-8725.
