Agenda Item 2

The Community Forum Workgroup will be presented with an update on the planning for the Fresno County Community Forum to be held in the community of Fresno on November 5, 2015. The update will include information and a discussion on the forum structure.

The purpose of the community forums is to foster discussion and input regarding the progress and impact of the Mental Health Services Act (MHSA) in local communities. The MHSOAC Community Forums are held in four locations throughout California each year.

To facilitate the community forums, a workgroup consisting of eight members, plus four alternates, selected from the CLCC and CFLC, has been established to plan and conduct the MHSOAC Community Forums each year.
