**Update on Efforts to Engage Individuals with Serious Mental Illness Who Are Not Achieving Recovery**

An update was provided regarding the activities of the 2014 CFLC Workgroup that focused on outreach to clients not achieving recovery. The suggestions that were brought forward from the Workgroup regarding how to improve information reported on persons receiving services, that included improvements in services, were presented. Committee members commented on the suggestions developed by the Workgroup and provided additional input.

**Public Comment**

Public comment was heard.

**Status Report from the Community Forum Workgroup**

Highlights of the status report regarding the Community Forum Workgroup:

- An update was provided regarding the Community Forums held in Amador County on July 16, 2015 and Riverside County on August 13, 2015.
- The forum procedures are under review and suggestions for improvements are being considered for possible implementation.
- The final forum for 2015 will be held in Fresno County on November 5, 2015 and the Maddy Institute is assisting with outreach to help engage underserved groups to participate.

**Public Comment**

Public comment was heard.

Client and Family Leadership Committee  
September 3, 2015

**Update on Senate Bill 614 (Leno) regarding Peer and Family Support Certification**

Highlights of the discussion:

- Adrienne Shilton, Director of Intergovernmental Affairs, County Behavioral Health Director's Association (CBHDA), provided an update of SB 614 that included it is now a two year bill.

**Public Comment**

Public comment was heard.

**Follow up Information on the MHSA Issue Resolution Process (IRP) that was Discussed During the June 4, 2015 CFLC Meeting**

This agenda item was rescheduled for the next meeting.

**Presentation: Update on Evaluation Efforts Regarding Review of Methods to Engage Individuals With Mental Illness Who Are Not Achieving Recovery**

Highlights of the discussion:

- A presentation was provided by Dr. Andy Sarkin from University of California, San Diego regarding a project he is leading that is designing a statewide data collection and reporting system to track, monitor, and evaluate client outcomes and services within the Community Services and Supports (CSS) component of the MHSA.
- Dr. Sarkin requested Committee members review the Illness Management and Recovery Scale survey and provide their feedback regarding what content may be missing from the validated measurement that a clinician typically completes on how to increase family member engagement into the process.

**General Public Comment**

There was additional input provided.

**Adjournment**

Meeting adjourned at 3:58 PM.
