
AGENDA ITEM 4

Action

March 24, 2016 Commission Meeting

Contracts with iFish Group, Inc.

Summary: The Mental Health Services Oversight and Accountability Commission (MHSOAC or Commission) will consider authorizing the Executive Director to enter into contracts with iFish Group, Inc. for up to \$250,000 to support fiscal transparency. The iFish Group has been providing consulting services to support initial planning and data collection for implementation of a Fiscal Transparency Tool. Under these additional contracts, iFish Group would provide the software-as-a-service platform and support for data maintenance, display, and visualization.

The iFish Group, Inc., is a reputable California corporation and has provided application development and deployment to the Department of Justice, and managed services to organizations such as Special Districts Risk Management Authority. Currently, iFish Group is providing to the Commission managed services and secured data environment in association with the Commission's contract with Statistical Analysis System (SAS) as software provider for use with protected health information under a data use agreement with the Department of Healthcare Services.
